Haven't the foggiest

Fog Again Causes Buc Game To Be Called

For a second straight night the Galveston Buccaneers have a Texas (A1) League game postponed because of dense fog at Moody Field.

**Two Games Set for Tonight,
First Starting at 8 p. m.;
Play Halted After 2 Frames**

With the Oklahoma City Indians in town for the first game of a three-game series, the game is scoreless at the end of two innings when a heavy fog rolls in over the outfield fence ultimately forcing the postponement.

"The fog was rolling in so thick that you couldn't read the signs on the outfield fence, and the wire in front of the grandstand became so wet that every ball batted or thrown against it meant a shower for the people sitting close." - *The Galveston Daily News.*

The Buccaneers' game the previous night with the Tulsa Oilers is also postponed because of thick fog ... between 1800 and 2000 fans are in the stands when the game is called ... the previous night, about 1,500 fans were in attendance on a special "Ladies Night" affair.
